Sprint Retrospective 3

Achievements
- Search functionality
- Authorization on backend
- Inspection of jobs to see details
- Data display

Drawbacks
- Lack of communication
- Not adhering to planning
- Underestimating project deadline

Ideas to Start Pursuing
- Proper planning procedure
- Bootstrap implementation
- Better collaboration to finish target user stories

Things to Stop Doing
- Distractions→ need to meet the deadline
- Passive information sharing

Ideas to Continue Pursuing
- Increased group motivation to finish the project
- Enhanced level of teamwork
